IS SECOND HEARING

Substitute Ordinance Calls
For Vacating Only
13'-Wide Strip

An agreement having been reached but not yet reduced to writing, a hearing on the proposed vacating of a portion of what is known as Water street, concluded in less than ten minutes last evening.

The hearing was the second one held on the subject. The first took place May 25th, following the introduction of an ordinance in borough council on May 10th. This ordinance called for vacating a portion of what is known as Water street, east of Market street, 75 feet long and 33 feet wide, or the full width of the street, so as to afford The Bristol Trust Company ample room to set back a proposed new building 10 feet from Radcliffe street, conforming to the present building line.

A question was raised as to whether Water street was a borough street.

Objectors to the plan were Thomas Scott, 229 Radcliffe street; and William George, 212 Radcliffe St. The property of Dr. Walter H. Smith, 214 Radcliffe street, is also located in the area.

On June 14th a substitute ordinance for the one introduced at the May meeting was presented to council, the former one having been withdrawn. This ordinance called for vacating only a 13 foot wide strip of the street. It was upon this that the hearing was held last night.

Presiding at the hearing was William H. Pearson, chairman of the street and highway committee of Bristol borough council, with James Egan serving as secretary of said committee.

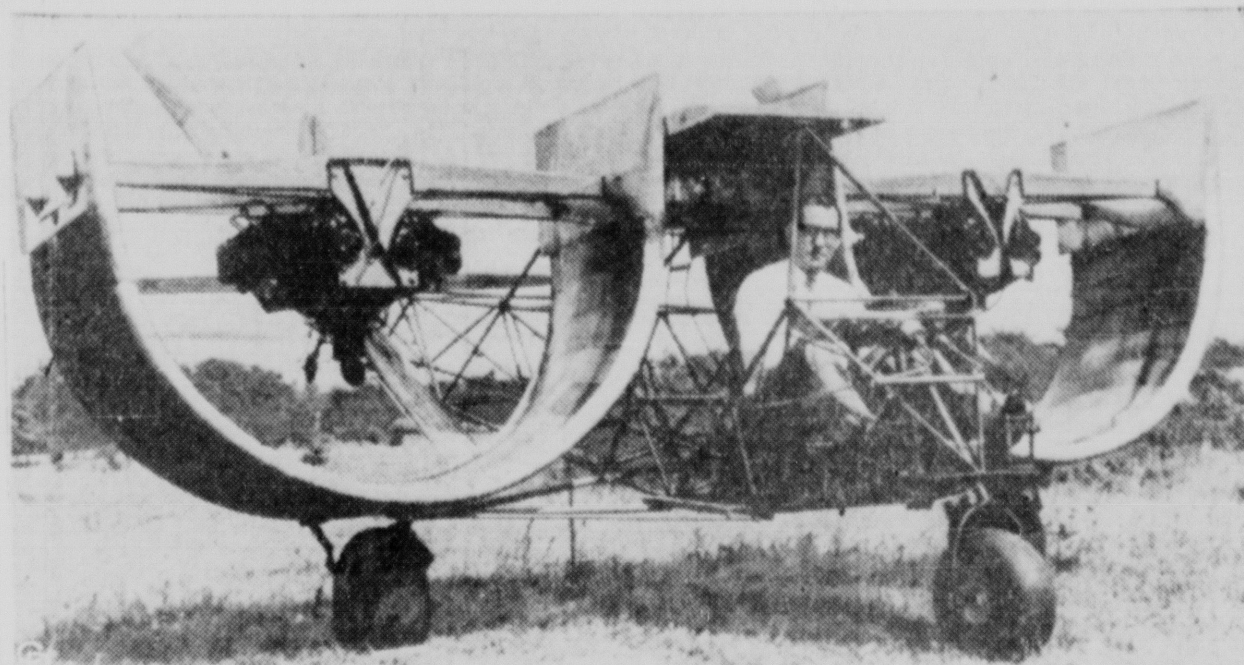

In reply to a question put by Mr. Pearson as to whether there were any objections to the proposed ordinance as published, I. L. Rubin, Esq., stated that his client, Thomas Scott, is agreeable to the plan that should the Bucks County courts find the 13 foot section to be vacated is part of Water street, then the Bristol Trust Company will deed to Bristol borough 13 feet on the southeast side to compensate for loss of the other portion.

John Leslie Kilcoyne, Esq., borough solicitor, pointed out that such is part of the agreement.

As a motion was made to adjourn William A. George voiced an objection to vacating the land in question.

A SUMMARY OF THE NEWS

The United States, Britain and France in parallel notes called on Russia yesterday to lift her blockade of the western sectors of Berlin immediately. Secretary Marshall underscored the seriousness of the situation by handing this country's note personally to Ambassador Panyushkin.

Unusual Soviet fighter activity in the air corridors leading into Berlin from the Western zones of Germany raised fears that Russia might be attempting to impede the air transport of goods into the blockaded city. Berlin was stirred by reports, made public by the French Foreign Ministry, of a Russian-inspired plot to force the Western powers out of the city and to create disorders that would be used to justify Soviet intervention to restore peace.

Representatives of Britain, France, the Low Countries and Canada conferred with Under-Secretary of State Lovett to chart a pattern of American political and military aid for the Western European Union.

Britain signed the accord with the United States qualifying her for Marshall Plan funds. Foreign Minister Bidault urged the French Assembly to approve the agreement.

Knocks Floor Boards and
Plaster Loose at The
Hodges Property

3 COMPANIES RESPOND

An electrical storm, accompanied by high winds, visited lower Bucks county last evening. Little damage is reported, except in the Andalusia section where lightning struck.

The bolt struck the roof of the home of Mr. and Mrs. William Hodges, on Tennis avenue, knocking loose a floor board on the third floor and forcing this, with plaster and other debris, through to the second floor bedroom of Mrs. Martha Weston. The bolt followed wires to the first floor and tore loose an electric switch plate, finally grounding in a fuse box and demolishing it.

Mrs. Weston was not at home at the time that the lightning struck. The Hodges and George Keaton occupy the first floor. Mr. Hodges had returned from a hospital a few days ago, and he was carried to the home next door.

Firemen from Union and Cornwells companies at Cornwells Heights, also Eddington company, responded. They found it necessary to chop away a portion of the roof. Some water damage was also caused.

Shed Fire Attracts
Early Morning Crowd

A spectacular but short-lived fire attracted a crowd of spectators early this morning, when a shed in the rear of the home of Saverio Conti, 369 Dorrance street, caught fire, and was completely demolished.

The alarm was sent in by two unidentified men who ran to the Bristol Consolidated fire station, Pond and Mulberry streets, to tell of the blaze. It occurred about 2:30 a. m. An alarm box is located at Dorrance and Wood streets, a short distance from the blaze.

Huge sheets of flame, and dense smoke attracted onlookers, mostly carbed in their sleeping clothes. Firemen arrived and the flames were soon extinguished.

Some of the property surrounding the shed was slightly scorched. Damage was estimated at about \$400.

Bensalem Pastor Attends
School of Alcohol Studies

HUNTINGDON, July 7.—The Rev. Burns Brodhead, Lansdowne, pastor of Bensalem Methodist Church, Bucks county, was among the 85 enrolled for the fourth annual session of the Pennsylvania School of Alcohol Studies held at Juniata College, here, from June 28th to July 2nd.

Enrollment included public school teachers, church school officers and teachers, clergymen, social welfare workers and members of youth organizations, parent-teacher associations and temperance groups. The school was held under the direction of Dr. George F. Dunkelberger, former dean of Susquehanna University. Its purpose was to disseminate knowledge that has been discovered through scientific research of the effects of beverage alcohol upon the individual and society and to arouse interest for further research. Twenty-two hour periods of lectures, demonstrations and discussions were included in the one-week program.

The impact was terrific, and the truck after snapping off a telephone pole and highway direction sign on the southeast corner, tore down several posts of a barbed wire fence as the front of the vehicle went up an embankment and lodged in the corner of a field. The left rear wheel of the truck rested on the sedan, which had been hurled into the ditch at the southeast corner.

Mongillo and DiSantis, according to Coll, a plumber, were planning to enter his employ. They were en route to a plumbing job nearby at the time of the accident.

The sedan, operated by Vogel, who was traveling alone, was completely wrecked, the right side and top of the vehicle being stove in to such an extent that the front seats were ripped up. The hood of the vehicle was torn off and tossed aside by the impact. Windshield was broken and the rear window was broken into thousands of bits.

Population of Co. Jail
Is Growing Less Daily

DOYLESTOWN, July 7.—When the chow whistle blows in the Bucks county prison next time, there will be four or five less mouths to feed, and it won't take seven chickens for the next chicken dinner that is scheduled.

Warden Earl D. Handy, who said that it takes about seven chickens to serve one chicken dinner and pointed out that it is far more economical to raise the chickens than to buy them, proudly exhibited chickens "on the hoof" in a pen adjacent to the large brownstone walls.

A county prison official explained that four and five men have been leaving daily, having either served their time or the costs and fines have been paid and they have been discharged.

Asserting that as the September session of criminal court draws nearer, the population will rise and more defendants will be admitted, the prison official said, "This is one of the lowest records we have had in some time."

Denying that fewer men means less rations, the prison guard remarked, "You know how it is, the fewer the man the more there is to eat."

A SUMMARY OF THE NEWS

The United States, Britain and France in parallel notes called on Russia yesterday to lift her blockade of the western sectors of Berlin immediately. Secretary Marshall underscored the seriousness of the situation by handing this country's note personally to Ambassador Panyushkin.

Unusual Soviet fighter activity in the air corridors leading into Berlin from the Western zones of Germany raised fears that Russia might be attempting to impede the air transport of goods into the blockaded city. Berlin was stirred by reports, made public by the French Foreign Ministry, of a Russian-inspired plot to force the Western powers out of the city and to create disorders that would be used to justify Soviet intervention to restore peace.

Representatives of Britain, France, the Low Countries and Canada conferred with Under-Secretary of State Lovett to chart a pattern of American political and military aid for the Western European Union.

Britain signed the accord with the United States qualifying her for Marshall Plan funds. Foreign Minister Bidault urged the French Assembly to approve the agreement.

HOUSE AT ANDALUSIA**

Knocks Floor Boards and
Plaster Loose at The
Hodges Property

3 COMPANIES RESPOND

An electrical storm, accompanied by high winds, visited lower Bucks county last evening. Little damage is reported, except in the Andalusia section where lightning struck.

The bolt struck the roof of the home of Mr. and Mrs. William Hodges, on Tennis avenue, knocking loose a floor board on the third floor and forcing this, with plaster and other debris, through to the second floor bedroom of Mrs. Martha Weston. The bolt followed wires to the first floor and tore loose an electric switch plate, finally grounding in a fuse box and demolishing it.

Mrs. Weston was not at home at the time that the lightning struck. The Hodges and George Keaton occupy the first floor. Mr. Hodges had returned from a hospital a few days ago, and he was carried to the house next door.

Firemen from Union and Cornwells companies at Cornwells Heights, also Edgington company, responded. They found it necessary to chop away a portion of the roof. Some water damage was also caused.

Early Morning Crowd**

A spectacular but short-lived fire attracted a crowd of spectators early this morning, when a shed in the rear of the home of Saverio Conti, 360 Dorrance street, caught fire, and was completely demolished.

The alarm was sent in by two unidentified men who ran to the Bristol Consolidated fire station, Pond and Mulberry streets, to tell of the blaze. It occurred about 2:30 a. m. An alarm box is located at Dorrance and Wood streets, a short distance from the blaze.

Huge sheets of flame, and dense smoke attracted onlookers, mostly garbed in their sleeping clothes. Firemen arrived and the flames were soon extinguished.

Some of the property surrounding the shed was slightly scorched. Damage was estimated at about \$400.

**What A Magazine Has To
Say About Anthony Russo**

In the Pennsylvania Chief of Police Association's magazine for the months of May and June, Chief Bucks County Detective, Anthony Russo, received this citation under "Meet The Chiefs."

"Meet the bundle of dynamite—Anthony Russo. A member of the executive committee, Tony is one of the best known police officers in the state of Pennsylvania. He was appointed April 3, 1930 and from that time on, no crime was committed in Bucks county without County Detective Russo being there, either to direct or to assist others in uncovering those responsible for the act.

"For many years, Tony has been not only a member of the association, but one of its most indefatigable workers."

It was reported by Charles S. Weik, for the property committee, that the painting of the exterior of the high school building is progressing and will be completed soon if weather is favorable.

It was decided to engage Herbert A. Fittit to do some plumbing work in the school building. The teachers' rest room is to be repainted.

An exhaust fan is to be installed in Mr. Utz's room and circulating fans are to be purchased for the offices of Warren P. Snyder, school superintendent, and David Hertzler, high school principal.

**RUMANIAN DIPLOMAT, THREE OTHERS
PAINFULLY HURT IN MIDDLETOWN TWP.
CRASH; CAR AND TRUCK ARE WRECKED**

Among Injured is Alfons Vogel, Ranking Attache at
Rumanian Legation, Washington—Truck of John
J. Coll, Pennell, Damaged to Extent of \$2,000—
Two Youths Riding on Rear Hurlled from Vehicle—
Truck Comes to Rest Partially on Top of Sedan
—Large Crowd Attracted to Scene.

PENNDDEL, July 7—Four persons, including a Rumanian diplomat, were painfully injured when a terrific impact at the intersection of Hulmeville and Durham roads, yesterday at 1:30 p. m., resulted in a large sedan being demolished, and a truck being damaged to the extent of \$2,000.

The diplomat involved is Alfons Vogel, a ranking attache at the Rumanian Legation in Washington, D. C. When individuals residing nearby and passing motorists reached the scene, they found the sedan in a ditch at the side of the highway, and the truck partly on an embankment with front wheels in a field and left rear wheel resting on top of the sedan which was stove in from the top and right side.

The injured:

John J. Coll, 221 Center street, Pennell, cuts about the head, face and dazed.

Raymond Mongillo, 16, Durham road, Pennell, abrasions of right leg and left shoulder.

Michael DiSantis, 15, Durham road, Pennell, abrasions of right side and right leg.

Alfons Vogel, 1323 Somerset street, Philadelphia, lacerations of right eye, lacerations of right elbow and possible fractures of ribs. Bucks County Rescue Squad removed Vogel, Mongillo and DiSantis to Nazareth Hospital, Philadelphia, for treatment. Vogel and Mongillo remained in the hospital, and it was stated this morning that condition of both is "good."

Although he remained at the scene for some time, Coll was dazed from his injuries.

State police of Langhorne barracks were called to investigate the crash; officers Friedrich and Benninger being assigned.

The 15-ton, open Ford truck, owned and operated by Coll, was being driven south on Durham road, according to police, when it crashed with a black Buick sedan, carrying Washington, D. C., license plates.

Mongillo and DiSantis were standing in the rear of the truck, just in back of the cab. Force of the impact hurled them out of the truck. The sedan was traveling east on Trenton road.

The impact was terrific, and the truck after snapping off a telephone pole and highway direction sign on the southeast corner, tore down several posts of a barbed wire fence as the front of the vehicle went up an embankment and lodged in the corner of a field. The left rear wheel of the truck rested on the sedan, which had been hurled into the ditch at the southeast corner.

Mongillo and DiSantis, according to Coll, a plumber, were planning to enter his employ. They were enroute to a plumbing job nearby at the time of the accident.

The sedan, operated by Vogel, who was traveling alone, was completely wrecked, the right side and top of the vehicle being stove in to such an extent that the front seats were ripped up. The hood of the vehicle was torn off and tossed aside by the impact. Windshield was broken and the rear window was broken into thousands of bits.

*Continued on Page Four***Population of Co. Jail
Is Growing Less Daily**

DOYLESTOWN, July 7—When the chow whistle blows in the Bucks county prison next time, there will be four or five less mouths to feed, and it won't take seven chickens for the next chicken dinner that is scheduled.

Warden Earl D. Handy, who said that it takes about seven chickens to serve one chicken dinner and pointed out that it is far more economical to raise the chickens than to buy them, proudly exhibited chickens "on the hoof" in a pen adjacent to the large brownstone walls.

A county prison official explained that four and five men have been leaving daily, having either served their time or the costs and fines have been paid and they have been discharged.

Asserting that as the September session of criminal court draws nearer, the population will be raised, and more defendants will be admitted, the prison official said, "This is one of the lowest records we have had in some time."

Denying that fewer men means less rations, the prison guard remarked, "You know how it is, the fewer the men the more there is to eat."

He added that Sir Hugh Dow, British consul general, has protested the kidnapping to Jewish authorities.

B-29 Superfortresses, it was announced, have taken off from Tokyo's Haneda airport and Okinawa to make observation flights over the center of the typhoon which was described as "wakening" as it whirled up the China Sea.

Scores Held by Communist-Controlled Police in Prague

Prague—Scores of persons were reported held in custody in Prague today by Communist-controlled security police, who broke up an anti-government demonstration in the main square of the Czech capital. Those arrested after police charged into a crowd of some 3,000 and suppressed the demonstrators with clubs were estimated variously at between 100 and 200. Some 500 security police moved into Wenceslas Square shortly before midnight to halt the demonstration which was staged as a follow up to an earlier Sokol festival in which cheers were shouted for former president Eduard Benes.

AWAY FROM THE FARM

What appeared for a time like
a definite movement back to the
farm has been stopped in its
tracks. The Department of Agri-
culture does not undertake to
guess why this is so, but the new
trend clearly is giving it some
concern.

As of January 1, 1948, the
number of persons living on
farms in the United States was
27,440,000. This is smaller by
14,000 than the total for Janu-
ary, 1947, despite an increase in
the total population of the coun-
try. The loss in itself is not great
but it represents a complete re-
versal of what had happened in
1945 and 1946. That is the dis-
turbance factor.

It is possible, of course, that
the increase in farm population
immediately after the war was an
unnatural phenomenon and the
result of the return of men to
civilian life. Many of these for-
mer soldiers could find no con-
genial employment or decent place
to live in the cities and so turned
temporarily to agriculture. They
may now be taking up their nor-
mal pursuits again.

While modern machinery has
made it possible to operate farms
with fewer workers, a continua-
tion of the present trend will
eventually create a problem for
the nation. With the population
growing steadily, demand for
agricultural products will in-
crease.

WAR POTENTIALS

War or peace between the
United States and Russia will
hang in the European balance this
summer. Western European
foreign offices have been swamped
with warnings that the Soviet
Union would force a showdown.
July is the month most often men-
tioned in these warnings. As for
the place—there has been plenty
of news from Berlin lately.

What effect Russia's run-in
with her prize jackal, Yugoslavia,
will have on the assumed im-
balance can only be a matter of con-
jecture. But if Tito had been or-
dered to threaten or attack Italy
to create his part of the general
confusion, the present Russian ef-
fort to depose him would not be
hard to understand.

Things have now gone so far
that checking up on our war po-
tential and Russia's is a precau-
tion that it would be foolhardy to
postpone. Congress has decided
that the United States needs a
greatly expanded air force and a
peacetime draft.

Less is known about the shape
Russia is in now. She has strong
fifth columns in every country.
Her existing military machine, on
land, is the strongest in the
world. The question is how long
Soviet factories could equip and
supply it.

It was said that Germany could
not fight a long war, but it was
almost six years before she gave
up. Right now, Russia's chances
of fighting for any length of time
do not seem good. The Reds have
serious bottlenecks in steel, coal,
oil, manpower and, above all, in
transportation. But the Kremlin
is not acting as if it were afraid
of anything.

Today's Quiet Moment

By the Rev. Arthur D. Sargis
Pastor
Eddington Presbyterian Church

Dear Father, we thank Thee for all who serve. It is so easy to take one another for granted. As we pause, during this moment, may we realize how dependent we are upon others for even the smallest things of life. During this pause may we also realize how near Thou art to us at all times. Indeed, without Thee we could do absolutely nothing. Forgive us, dear God, for this sin of familiarity and accept our thanks, gratitude and our lives and may they be used by Thee to fulfill Thy will and work in the realization of Thine everlasting kingdom. Amen.

Today's Quiet Moment

By the Rev. Arthur D. Sargis
Pastor
Eddington Presbyterian Church

Dear Father, we thank Thee for all who serve. It is so easy to take one another for granted. As we pause, during this moment, may we realize how dependent we are upon others for even the smallest things of life. During this pause may we also realize how near Thou art to us at all times. Indeed, without Thee we could do absolutely nothing. Forgive us, dear God, for this sin of familiarity and accept our thanks, gratitude and our lives and may they be used by Thee to fulfill Thy will and work in the realization of Thine everlasting kingdom. Amen.

"Rabbit" Palumbo, St. Ann's, who has three home runs to his credit, also has the most hits, 8. He is deadlocked with "Toby" Oriola, Democrat Club, for third place, each having an average of .408. Joe Elmer, backstopper for Goodwill House, is next on the list with .403. "Lou" Saasi, St. Ann's, is the only other .400 hitter.

Earl Wagner, Hibernians, is setting the pace for the hurlers with four wins and no defeats.

WET GROUNDS PREVENT GAME

The Bristol Suburban League game between the Fifth Ward Sporting Club and the Democrat Club, scheduled for last evening, was called because of wet grounds. The game will be played at a later date.

St. Ann's to Play Night Game at Playwicky Field

The first night game to be scheduled by any Bristol Suburban League team will be played tomorrow evening on Playwicky field. Langhorne, as the St. Ann's A. A. team, current leaders of the loop, meets the Langhorne Legion team. Game will begin at nine o'clock.

The tilt was arranged by Manager Ira Smith of the Legion, and John Scordia of St. Ann's. The "Saints" have won 15 games and lost four during this season, while Langhorne is in fourth place in the circuit.

It is most likely that "Charlie" Martindell will hurl for Langhorne, with either L.L. Wilbur VanLenten or "Mike" Deitch pitching for St. Ann's.

Friday night on the Burlington High School field, St. Ann's will play its third annual game with Burlington. This game will be played under the lights starting at 8:45 o'clock. St. Ann's has beaten Burlington two successive seasons. The St. Ann's organization is attempting to arrange a night game for Memorial Park field. Further announcements will be made later.

Bristol Junior Legion To Try for Another Win

Still clinging to second place, the Bristol Junior Legion team will try for another win in the Bucks County Junior Legion League this evening as it meets Newtown Junior Legion on the Third Ward field. Game will begin at 6:30 o'clock.

Manager Vito Della's boys have won four games and lost one. Perkasis is leading the circuit with three wins and no defeats. Both Perkasis-Bristol games were called off because of rain.

It is most likely that "Dick" Harmon will throw them for the local team against Newtown. In the first game of the season, Harmon hurled his mates to a 7-1 victory over the Newtown lads and allowed three hits.

The remainder of the Bristol lineup will be composed of McSherry, Moll, Loeffler, Braam, Hibbs, Pindar, Eisenbrey, and Dominick.

BRISTOL A. C. LOSES, 6-5

Bristol A. C. suffered its first defeat of the season July 4th, by the St. Stephens nine of Philadelphia. With Bristol leading, 5-3, with two out in the ninth, St. Stephens rallied for three runs to eke out a 6-5 victory. The fielding of "Benny" Bintliff was outstanding as he came up with two sensational catches in center field.

due to a property which he stated he owns and which double house is adjacent to the law offices of John P. Betz, Esq., Radcliffe St., near Market. Question was asked of Mr. George as to where he resides. The response was "Bristol township." He was further asked if there is not now an agreement of sale from him to Mr. Betz of the property referred to.

It being stated by several in attendance that the agreement of sale has been signed, and that therefore it was felt Mr. George has no voice in the matter in question, it was pointed out that Mr. George's complaint was groundless.

ST. LUKE'S HOLDS TOP SPOT IN CHURCH LEAGUE

For the first time since the beginning of the season, some other club beside St. Luke's holds the top spot in the Lower Bucks Church softball league, as Presbyterian, scoring a pair of shutout victories, (one on the field of play and one off) hopped into the loop leadership, while St. Luke's went down before Bensalem by the crushing score of 11-6.

The change in leadership took place on Tuesday evening, June 29. That was the night Bensalem ripped into St. Luke's for nine big runs in the opening frame and won their game right then and there. Reditz led the 15-hit attack with a perfect evening, having four-for-four, while both L. Waring and H. Bates each had three hits to account for 10 of their team's 15 hits among them. Norm Myers had three hits to lead the losers at bat.

While St. Luke's was going down to its second setback in eleven games, Presbyterian took over undisputed possession of first place, even though they never played an inning. They gained a 7-0 forfeit victory over Church of Our Saviour who failed to show up for their scheduled game with the Presbyterian club.

However, Presbyterian tightened its slim margin on first place with a clean-cut victory over Bristol Methodist, when they shut out the latter club by a 5-0 count on the superb one-hit performance of Johnny Jones. The lone hit came from the bat of Lane Weller in the last inning, with one out and no one on base—a blooper to left field.

Jones was complete master of the situation all the way as he struck out five and gave up only two passes. However, he was backed by some excellent fielding on the part of his team mates. Dave Ludwig hooked up in a pitcher's dual duty with Jones and hurled creditable ball, allowing only eight hits. Presbyterian sewed the game up in the sixth, when they pushed over three tallies on a single by Jones, a double by Marvin Walter, a fielders' choice and an error.

Meantime Bensalem hopped over Bristol Methodist in the standings with an easy 13-3 triumph over St. James. It was the second straight victory for Bensalem who thereby went above the 500 mark and jumped into fourth place, a half game ahead of Bristol Methodist. Bill Vansant was the big man in this triumph for Bensalem with three hits in four trips to the plate.

St. James lost both its games during the week. For beside the 13-3 setback to Bensalem, they also were trimmed by Calvary by a 13-0 score as Jim Katz shut them out with four hits, two of which came in the last inning. Elmer, who had singled with one down, was thrown out at the plate trying to score on DeLong's hit, for the final out, ending the game.

ing the game. Calvary got six runs in the first inning and six more in the second, to coast to an easy verdict, although they got only seven hits off the combined offerings of Bill Foltz and Dick Vandegrift. But St. James' hurlers were liberal with the bases on balls, giving up no less than 14, which contributed largely to their downfall. Calvary effectively bunched its hits with those passes to win easily. Calvary also was awarded a forfeit victory over Church of Our Saviour, when the latter failed to field a team for its scheduled game. Thus Calvary, like Presbyterian, won one on the field of play and one off the field.

Vogel, whose car bore Washington license plates, was en route from New York to the capital, and stated he had "lost" his way when the accident occurred.

The truck was damaged to the extent of \$2,000, and both machines were towed from the scene to a Pennel garage. A large crowd was attracted to the scene and remained to watch as workmen were engaged in disentangling the vehicles and clearing up the debris.

A "stop" sign is located at the intersection, effective for motorists traversing Hulmeville road.

Mongillo's father, Louis Mongillo, Sr., 47, and his brother, Patrick, 23, met their death in an automobile accident on the Lincoln highway, as did also Earl Roberts, 29, on June 24, 1947. A heavily-loaded Philadelphia to New York bus struck the car in which the trio was riding and also hit another vehicle.

"Rabbit" Palumbo, St. Ann's, who has three home runs to his credit, also has the most hits, 8. He is deadlocked with "Toby" Oriola, Democrat Club, for third place, each having an average of .408. Joe Elmer, back-stopper for Goodwill, is next on the list with .403. "Lou" Sassi, St. Ann's, is the only other .400 hitter.

WET GROUNDS PREVENT GAME

The Bristol Suburban league game between the Fifth Ward Sporting Club and the Democrat Club, scheduled for last evening, was called because of wet grounds. The game will be played at a later date.

St. Ann's to Play Night Game at Playwicky Field

The first night game to be scheduled by any Bristol Suburban League team will be played tomorrow evening on Playwicky field, Langhorne, as the St. Ann's A. A. team, current leaders of the league, meets the Langhorne Legion team. Game will begin at nine o'clock.

The tilt was arranged by Manager Ira Smith, of the Legion, and John Scordia, of St. Ann's. The "Saints" have won 15 games and lost four during this season, while Langhorne is in fourth place in the circuit.

It is most likely that "Charlie" Martindell will hurl for Langhorne, with either L. Wilbur VanLenten or "Mike" Deitch pitching for St. Ann's.

Friday night on the Burlington High School field, St. Ann's will play its third annual game with Burlington. This game will be played under the lights starting at 8:45 o'clock. St. Ann's has beaten Burlington two successive seasons.

The St. Ann's organization is attempting to arrange a night game for Memorial Park field. Further announcements will be made later.

Bristol Junior Legion To Try for Another Win

Still clinging to second place, the Bristol Junior Legion team will try for another win in the Bucks County Junior Legion League this evening as it meets Newtown Junior Legion on the Third Ward field. Game will begin at 6:30 o'clock.

Manager Vito Della's boys have won four games and lost one. Perkase is leading the circuit with three wins and no defeats. Both Perkase-Bristol games were called off because of rain.

It is most likely that "Dick" Harmon will throw them for the local team against Newtown. In the first game of the season, Harmon hurled his mates to a 7-1 victory over the Newtown lads and allowed three hits.

The remainder of the Bristol lineup will be composed of McSherry, Moll, Loeffler, Braam, Hibbs, Pindar, Eisenbrey, and Dominick.

BRISTOL A. C. LOSES, 6-5

Bristol A. C. suffered its first defeat of the season July 4th, by the St. Stephens nine of Philadelphia. With Bristol leading, 5-3, with two out in the ninth, St. Stephens rallied for three runs to eke out a 6-5 victory. The fielding of "Benny" Bintliff was outstanding as he came up with two sensational catches in center field.

due to a property which he stated he owns and which double house is adjacent to the law offices of John P. Betz, Esq., Radcliffe St., near Market. Question was asked of Mr. George as to where he resides. The response was "Bristol township." He was further asked if there is not now an agreement of sale from him to Mr. Betz of the property referred to.

It being stated by several in attendance that the agreement of sale has been signed, and that therefore it was felt Mr. George has no voice in the matter in question, it was pointed out that Mr. George's complaint was groundless.

ST. LUKE'S HOLDS TOP SPOT IN CHURCH LEAGUE

For the first time since the beginning of the season, some other club beside St. Luke's holds the top spot in the Lower Bucks Church softball league, as Presbyterian, scoring a pair of shutout victories, (one on the field of play and one off) hopped into the loop leadership, while St. Luke's went down before Bensalem by the crushing score of 14-6.

The change in leadership took place on Tuesday evening, June 29. That was the night Bensalem ripped into St. Luke's for nine big runs in the opening frame and won their game right then and there. Reditz led the 15-hit attack with a perfect evening, having four-for-four; while both L. Waring and H. Bates each had three hits to account for 10 of their team's 15 hits among them. Norm Myers had three hits to lead the losers at bat.

While St. Luke's was going down to its second setback in eleven games, Presbyterian took over undisputed possession of first place, even though they never played an inning. They gained a 7-0 forfeit victory over Church of Our Saviour, who failed to show up for their scheduled game with the Presbyterian club.

However, Presbyterian tightened its slim margin on first place with a clean-cut victory over Bristol Methodist, when they shut out the latter club by a 5-0 count on the superb one-hit performance of Johnny Jones. The lone hit came from the bat of Lane Weller in the last inning, with one out and no one on base—a blooper to left field. Jones was complete master of the situation all the way as he struck out five and gave up only two passes. However, he was backed by some excellent fielding on the part of his team mates. Dave Ludwig hooked up in a pitcher's dual with Jones and hurled creditable ball, allowing only eight hits. Presbyterian sewed the game up in the sixth, when they pushed over three tallies on a single by Jones, a double by Marvin Walter, a fielders choice and an error.

Meantime Bensalem hopped over Bristol Methodist in the standings with an easy 13-3 triumph over St. James. It was the second straight victory for Bensalem who thereby went above the 500 mark and jumped into fourth place, a half game ahead of Bristol Methodist. Bill Vansant was the big man in this triumph for Bensalem with three hits in four trips to the plate.

St. James lost both its games during the week. For beside the 13-3 setback to Bensalem, they also were trimmed by Calvary by a 13-0 score as Jim Katz shut them out with four hits, two of which came in the last inning. Elmer, who had singled with one down, was thrown out at the plate trying to score on DeLong's hit, for the final out, ending the game.

Calvary got six runs in the first inning and six more in the second, to coast to an easy verdict, although they got only seven hits off the combined offerings of Bill Foltz and Dick Vandegriff. But St. James' hurlers were liberal with the bases on balls, giving up no less than 14, which contributed largely to their downfall. Calvary effectively bunched its hits with those passes to win easily. Calvary also was awarded a forfeit victory over Church of Our Saviour, when the latter failed to field a team for its scheduled game. Thus Calvary, like Presbyterian, won one on the field of play and one off the field.
